## About Michael's Woodshop

Michael's Woodshop is one of the newest additions to the facilities at Camp William B. Snyder. It is a well outfitted shop with tools and work space to complete almost any wood working project. For a more detailed view of the tools and workspace, please view the photo gallery on the camp website.

Michael's Woodshop is available for use by Scouts and Units in the National Capital Area Council. Since opening in November, 2018 we have had a great deal of activity in the shop. We hosted a series of Pinewood Derby Day workshops (over 250 Cub Scouts attended), held a number of Woodwork Merit Badge sessions, supported two District events and supported many Volunteer Service Days at Camp Snyder. In addition, we hosted our first Eagle Scout Project in May! Shop activities and events are led by an experienced group of volunteer Shop Stewards. Training is available for leaders interested in using the shop or running their own unit events.

## Supporting Michael's Woodshop

Michael's Woodshop was constructed and is operated entirely by volunteers. In addition, a majority of the tools and equipment were acquired through donations from the Scouting community. For more information about volunteering or if you would like to donate tools or equipment to the shop, please visit the Camp Snyder website or contact us at [Camp.Snyder@Scouting.Org](mailto:Camp.Snyder@Scouting.Org) (*please include "woodshop" in your email subject line*)
