Winter 2019-20

## Pinewood Derby Season Two Is Underway!

Michael's Woodshop has a great process to guide Cub Scouts step by step through the Pinewood Derby Car creation process. Cub Scouts can use their own design or can choose from many available design templates. Each Cub Scout will leave with a paint-ready car. There are several ways to participate in the fun:

### Open Registration

Individuals or small groups can sign up for one of our open registration sessions. Please visit our website to view dates and register.

### Pack Events

Packs may reserve Michael's Woodshop to hold their own pinewood derby event. Pack unit numbers can be posted on the wood shop wall!

### Volunteer

Whether an experienced woodworker or a novice, if you enjoy teaching and guiding Cub Scouts in a creative environment, you can volunteer to support these events.

Please visit the Camp Snyder website <https://www.gotosnyder.org/> to learn more.

## There's Been A Lot Going On In Michael's Woodshop!

Sep - Woodworking 101 Class : Scouts from Troop 1148G learned valuable woodworking basics. See article at <https://weownadventure.com/troop-1148g-learns-woodworking-fundamentals/>

Oct - Cub Scout Expo: Over 100 Cub Scouts visited Michael's Woodshop and made their own Tic Tac Toe boards. See article at <https://weownadventure.com/wood-shop-fun-at-cub-scout-expo/>

Nov - Webelos & Scout Expo: Webelos, Scouts, siblings and parents visited Michael's Woodshop for a shop tour and some hands-on woodworking fun. See article at <https://weownadventure.com/woodworking-fun-at-2019-webelos-and-scout-expo/>

Nov – Camp Conservation Project: Webelos from Pack 1344 had a great time learning new skills and building owl boxes as part of a Conservation Project at Camp Snyder. See article at <https://weownadventure.com/webelos-conservation-project-was-a-real-hoot/>

## Join the Team in Michael's Woodshop

Michael's Woodshop is operated by a group of volunteer Shop Stewards. With the growing demand for use of this amazing facility, there is a need for additional volunteers. Teaching and guiding Scouts in this creative environment is an incredibly rewarding experience. Both experienced woodworkers and novices, including older Scouts can become part of the team. To learn more about shop capabilities, planning an event or volunteering, please visit the Camp Snyder website or email us at [MichaelsWoodshop.CWBS@gmail.com](mailto:MichaelsWoodshop.CWBS@gmail.com)
