Fall 2020

Wood Shop Activities Have Resumed!

New Safety Protocols & Upcoming Events

Covid-19 Safety Protocols: Michael's Woodshop has adopted safety protocols to help mitigate the risk of virus transmission. Please review our [Covid-19 Safety Guidelines](#) prior to attending these activities.

Woodwork Merit Badge Sessions (monthly): Michael's Woodshop offers "Classroom Sessions" focused on shop safety, first aid and other non-tool requirements and "Shop Sessions" which provide the opportunity to work on the project requirements in the shop. Sign up soon - our sessions are filling up quickly!

Woodworking 101 (monthly): Open to Scouts and adults, this class teaches basic woodworking terminology, tools & techniques and walks students through the process from rough sawn lumber to a completed project.

Schedule Your Own Event: Michael's Woodshop may be reserved by Units for a wide range of activities. Our experienced Shop Stewards are available to help you plan and carry out a successful event.

Fall Family Camping: If you missed out on the Summer Family Camping weekends, you'll have more chances to visit Michael's Woodshop during the upcoming Fall Family Camping weekends. Stay tuned for details!

Recent Activities in Michael's Woodshop

A visit to Michael's Woodshop was one of the activities offered to families during the Family Camping Program at Camp Snyder this summer. There were four great projects available to provide youth of all ages the opportunity to have a fun, hands-on experience in Michael's Woodshop. These projects can be adapted for your own unit activity. [Read Article...](#)

	Golf Tee Tic-Tac-Toe <i>A fun project for younger Scouts or anyone who loves this classic game</i>		Wren House <i>A flexible project that can be tailored for Webelos or older youth</i>
	Cub Scout Tool Box <i>The perfect project for a Baloo the Builder activity</i>		Standard Tool Box <i>A classic project for older youth; great for the Woodwork Merit Badge</i>

This summer we hosted our fourth Eagle Scout Project in Michael's Woodshop. To minimize social contacts, the Scout made the shop portion of his project a family event. With the assistance of his parents and siblings, he completed the cutting and other prep work completed so his project was ready for final assembly on site!
