

Michael's Woodshop

Woodworking Skills Classes

Michael's Woodshop is now offering a series of classes designed to build various woodworking skills. These skills will contribute to Scouts and Leaders overall woodworking abilities and will be useful in earning the Woodwork Merit Badge, carrying out Eagle Scout Projects and other service projects for their Unit, Chartering Organization or community.

<p>Woodworking 101</p> <p>Instructor CJ Staton</p> <p>View Classes & Register</p>	<p>101 Introduction to Woodworking This class introduces Scouts and adults to woodworking; taking them through the entire process from lumber making to a completed project. It is a great course for Scouts interested in earning the Woodwork Merit Badge or preparing for their Eagle Scout project or for anyone who would like to learn basic woodworking skills. Please see the Class Syllabus for more details.</p>	<p>Ages: Youth 11 & up* & Adults Cost: \$5/person Prerequisites: None</p> <p>* Youth under the age of 11 must get advance permission from the instructor to attend</p>
<p>Woodworking 102</p> <p>Instructor Dan Nellis</p> <p>View Classes & Register</p>	<p>102 Tool Restoration/Tool Maintenance Good quality tools or equipment can become damaged by rust or corrosion. In many cases, tools and equipment can be restored with a little time and effort. This class will demonstrate restoration techniques as well as preventative measures that can be taken to prevent this damage from occurring. Please see the Class Syllabus for more details.</p>	<p>Ages: Youth 13 & up & Adults Cost: \$5/person Prerequisites: None</p>
