

Michael's Woodshop
Participant Information for
Pinewood Derby Sessions
Rev October 2, 2021

Covid-19 Safety Rules: Please review the [Covid-19 Safety Guidelines](#) prior to attending your session. Face coverings must be worn at all times while in the shop. Hand sanitizer is provided and should be used before and after your work session. To avoid crowding in the shop, please plan to arrive a few minutes before your scheduled start time and depart promptly upon completion.

A parent (or other responsible adult) is expected to accompany each Cub Scout to provide supervision and guidance throughout the car building process.

We do not have potable water in the shop. Please bring your own water bottle if desired.

Portable toilets are located adjacent to the shop.

Drivers: Please see the [Camp Map](#) for the location and directions to Michael's Woodshop at Camp Snyder. If the small designated parking lot at the west end of the building is full, please note the location of overflow parking spaces near the cabins. Please do not park behind the building in the maintenance yard. Participants do not need to check in at the camp office, but should proceed directly to the shop upon arrival at camp.

Please check your District's rules to see if re-drilling of axel holes is permitted. If your District does not permit this or if you are unsure whether it is permitted, please do not risk having your car disqualified and simply skip this step in our car building process.

We do not sell car kits or weights in the shop. Please be sure to bring your own car kit and weights to the event.

Optional Car Weight Fundraiser: We will be holding our Car Weight Fundraiser again this season. For a \$10 donation (cash only please), we will provide weights to bring any car up to (approximately) the 5 oz weight limit. Participation in the fundraiser is optional and you are welcome and encouraged to bring your own weights. Our volunteers will assist in adjusting the weight of cars for all participants.

Photos: Please take plenty of photos during the work sessions. If you have photos you would like to share, please email them to MichaelsWoodshp.CWBS@gmail.com. We will be creating a Pinewood Derby slideshow to post on the shop webpage and a few select photos may also be used for an article in The Scouter Digest (weownadventure.com). To caption the photo, please provide youth first name(s) and/or Pack #. We will be updating the slideshow throughout the PWD season. We will send you a link to view/share the slideshow when your photos have been added.

If you have any questions about your upcoming session, please email our volunteer team at MichaelsWoodshop.CWBS@gmail.com

We look forward to seeing you in Michael's Woodshop.

YIS,
Your Volunteer Team
