2022 Tool Additions – Fundraiser & Donations

Thank you to everyone who participated in our Car Weight Fundraiser or who otherwise made cash or in-kind donations. We have been able to add, replace or upgrade many shop tools and acquired many other useful supplies for the shop. Here are a few highlights (not all items shown):

	<p>Nova Chuck G3 system (expanded lathe capability).</p>		<p>Two new bench vises (upgrade)</p>
	<p>Sign making & roundover bits and bit storage trays</p>		<p>Multiple CNC bits, clamps, and supplies (new capability)</p>
	<p>Stacked dado blade set & spare table saw blade</p>		<p>Three new right angle clamps and new band clamp (new capability)</p>
	<p>3D printer filament – (shop jigs and templates)</p>		<p>Two new cordless drills, plunge router base</p>
	<p>Two machine mobile base kits.</p>		<p>Circle cutter, adjustable auger bits</p>
	<p>Second branding iron and replacement heating handle</p>		<p>Sanding blocks and sand paper</p>
	<p>Hot glue gun, new step ladder</p>		<p>Three round sole spokeshaves</p>
	<p>Machine maintenance and shop safety supplies</p>		<p>Scroll saw blades, knife sharpener, paper cutter</p>
