How to Schedule a Visit or Project Activity

Shop Visit: There is no cost associated with a visit to Michael's Woodshop, but we ask that you email us in advance to schedule a time. Please include Pack #, Den #, the number and age(s) of youth, a range of dates for the visit and general preferences for days/times that would work well (Mon or Tue evenings, any time on a Saturday, etc.). Shop visits should last approximately 45 minutes and we expect Dens to provide adequate adult supervision throughout the visit. You can combine your shop visit with a project activity in Michael's Woodshop or with other activities at Camp Snyder.

Project Activity: Please visit our website and follow the instructions for "[Reserving Michael's Woodshop](#)". You may select an appropriate project from our [Project Idea list](#) or alternatively, you may propose your own project (please provide drawings, photos, etc.). Project Activity costs are \$6/youth + material cost (generally \$5-\$10, depending on the project).
