2023 Tool Additions – Fundraiser & Donations

Thank you to everyone who participated in our Car Weight Fundraiser or who otherwise made cash or in-kind donations. We have been able to add, replace or upgrade many shop tools and acquired many other useful supplies for the shop. Here are a few highlights (not all items shown):

		Drill/driver combo set + spare battery (expanded capability)			Two new bench vises (upgrade)	
		Storage drawers and dividers				Multiple CNC bits (expanded capability)
		Cordless oscillating tool kit + blade set (expanded capability)			12" spade bit set and 20mm forstner bit (expanded capability)	
		Multiple drill bits & drive bits (expanded capability)			Multiple sharpening stones & oil (expanded capability)	
		Machine mobile base kit			Multiple tape measures and scroll saw blades	
		Letter & symbol sign making templates			Safety glasses	
		Zero clearance table saw insert
