

Michael's Woodshop
2023-24 Pinewood Derby Season
Scheduling a Den Session

Revised June 2023

Den Sessions are designed to accommodate groups of 6 to 10 Cub Scouts. If you have less than 6 youth, please register for one of our Open Registration Sessions.

Review the Pack/Den Rules & Responsibilities prior to scheduling a Den Session.

Den Sessions may be scheduled Monday through Thursday evenings throughout Pinewood Derby season. The sessions will begin at 6:00pm unless a different start time is requested. Up to three youth may be scheduled each half hour beginning at 6:00pm with the last start time at 7:30pm.

All dates are subject to both shop *and* volunteer availability. You can check shop availability by reviewing the [Shop Calendar](#). The absence of a scheduled event on an evening generally indicates that the shop is available for use. After checking the calendar, please complete the Request a PWD Date form. We recommend when completing the form that you provide a Primary Date and at least one Alternate Date.

If you have questions about scheduling an evening Den Session, please email us at PinewoodDerby.CWBS@gmail.com
